WIND GAP CAR SHOW

The “Cruise to the Gap” has lasted 34 years due to the great support of the automotive community from New York to Delaware. Our grassroots show has been visited by many incredible vehicles, each with their own story.

The Original “MonkeeMobile” from the 1960’s hit show “The Monkees”, a Blues Brothers

replica, the General Lee and many more show cars have entered the Spring Classic.

The show benefits our local youth organizations, helping keep programs affordable and giving all children opportunities to participate.

We appreciate the support of our local businesses and that of the national sponsorships who help make our show enjoyable for you, the best car show family around.
